

March 12, 2020

Dear SCSE Families,

For Spring Break, our scholars are to complete CAT Assessment 1 in the SBAC Mathematics assessment booklet. An answer sheet is inside the front cover for your scholar to fill out. Scholars should only bubble in the multiple-choice questions. For example, if question 3 is a matching question, scholars can answer that in the booklet and leave number 3 on the bubble sheet blank.

This practice assessment mirrors what scholars will see in May on the SBAC. Please encourage them to take this seriously, as it will help prepare them for the real examination. We suggest scholars work in a bright, quiet place free from distractions. If the assignment is not completed and handed in on **Monday, April 13, 2020**, your scholar will receive a 0 on their report card for their seasonal project. **No late submissions will be accepted.** In addition, scholars who do not hand in the assignment will forfeit their recess until the assignment is completed.

We appreciate your support and thank you in advance for your cooperation. **Please sign below acknowledging that you have read and understand the terms outlined above.** Thank you!

We are sending this packet home early in the event of school being closed longer. If school is only closed for two weeks, please do not complete this assignment.

Warmly,

The 3<sup>rd</sup>/4<sup>th</sup>/5<sup>th</sup> Grade Team
