

Grade 2 March Packet

Dear Families,

Attached is a calendar of daily assignments for your scholar to complete while at home. These assignments can be found in their workbooks, in the packet (also attached), and online.

ELA:

- In order to complete the reading assignments, scholars must read the anchor text found on: <https://www-k6.thinkcentral.com/ePC/start.do>

Country: *United States*

State: *Connecticut*

District: *Private*

School: *Stamford Charter School for Excellence*

username: *Bobcat2*

password: *Excellence1!*

MATH:

- Math support can be found at <https://greatminds.org/math/parents>

Please follow the calendar and have your scholar finish each daily assignment.

Thank you

Due: Upon Returning to School

This assignment will count at 1 test grade

Lesson 22 Gloria Who Might Be My Best Friend

Read Gloria Who Might Be My Best Friend

Answer the following comprehension questions.

1. What happened when the children went to look at the birds? Tell the events in order?

2. What problem does Julian have in the story?

3. Why do you think Julian does not ask Gloria what her wishes are?

4. Do you think Julian and Gloria will be friends for a long time? Why or why not?

5. What is the genre of this story? How do you know?

Lesson 10 Jellies: The Life of a Jellyfish

Read Jellies: The Life of a Jellyfish

Answer the following comprehension questions.

1. What is strange about how jellyfish move around?

2. What is the main topic of the paragraphs on pages 342-343? How do you know?

3. On page 348, the author compares jellyfish to something else. What does she compare them to? How does the comparison help you imagine the West Coast sea nettles?

4. Name one OPINION the author gives about jellyfish.

5. Name one FACT the author gives about jellyfish.

Lesson 27: The Dog That Dug for Dinosaurs

Read The Dog That Dug for Dinosaurs

Answer the following comprehension questions.

1. Look at page 425. Why does the author include a *photograph* of a fossil when almost all of the other pictures are *illustrations*?

2. Why couldn't the adults figure out what the bones were?

3. Why did Mr. Buckland bring Mary books about dinosaurs?

4. Why does the painting of Mary Anning show her holding a chisel and a basket?

5. What is the genre of this story? How do you know?
